Glacier

Multipoint

Inset

Out Area

Where international, state, and/or county boundaries coincide, the map shows
the boundary symbol for only the highest-ranking of these boundaries.
¹ A "P" following a place name indicates that the place is also a false MCD;
the false MCD name is not shown.
² In 1990, the crews-of-vessel population of ships at sea was allocated to
census tracts with a "99" suffix. An anchor symbol appeared on the 1990
maps locating a crews-of-vessel tract. These maps show a very small area
symbolized as a census tract with the census tract number shown near the
area.
³ A "A" following a block number indicates that the block number is repeated
elsewhere in the block.
